Adam Grill is the Executive Director for The Legacy Corporation and the Director of Motor Carrier Operations for the Atlantic Pacific Resource Group. Adam has over 18 years of experience as a truck driver, truck driver training instructor, heavy equipment operator, and trucking terminal supervisor. In addition to having all endorsements on his Class A CDL, Adam has certifications as a pilot/escort driver, overhead crane operator, forklift operator, and other equipment. Adam currently runs a motor carrier fleet, brokers freight, and offers consulting and training to motor carriers, the government, and others. Adam has worked on over 2,000 trucking litigation cases as a trucking industry standards of care expert and actively provides educational opportunities to legal and administrative professionals in the area of truck driving, fleet management, and more.
